UNION FOR A PARLIAMENTARY MAJORITY

"A chance for peace, national unity and full employment"

Government program to put Cameroon back on track

Regain peace and unity of the Nation by putting an end to wars in the English-speaking regions and in the far north

1. proclaim a ceasefire in the northwest and southwest regions;

2. organize an inclusive national dialogue between all the children of the homeland;

3. initiate the reconstruction of war zones and ensure the return of populations;

4. Organize a local referendum for self-determination of populations in the north-west and south-west regions;

Modernize republican institutions to better serve

1. reform the electoral system to guarantee transparent elections acceptable to all;

2. Make the government accountable to parliament, expand the powers of the head of government and submit the choices of Ministers to validation by parliament.

3. Return to the democratic achievements of the 1996 constitution with the limitation of presidential mandates of five years to two, a single mandate of 9 years for members of the constitutional council with reinforced powers

4. Strengthen the independence of parliament and justice

To improve the purchasing power of Cameroonians

1. Merge SNH and SONARA, reverse the recent increases in fuel prices and keep them below 500FCFA and

2. Increase salaries by 30%, raise the SMIG to 120,000 FCFA and the minimum salary of civil servants to 150,000 FCFA

3. Reduce housing prices by 25% and freeze their increase over 2 years, renewable

4. Remove the audiovisual license fee and create a press and culture aid fund financed by businesses, communities and the State.

Work effectively to make "employment for all" a reality.

1. Develop an employment charter for large national companies.

2. Implement major socio-economic development projects (national railway master plan, construction of highways on the Yaoundé-Douala-Bafoussam triangle and build the northern highway on Yaoundé - Kousséri.

3. Support agricultural development (relaunch cocoa and artisanal production

4. Develop the agricultural and wood products processing industry.

School, health and housing for all in the service of national cohesion

1. Establish free education, make education compulsory until the age of 15 and revalue the teaching profession
2. Make education bilingual and replace the Probation Certificate with a Certificate of Aptitude for Bilingualism and ICT.
3. Make Universal Health Insurance effective by mobilizing funding from all workers, businesses, communities and the State
4. Support the construction of social housing by private companies through subsidies and tax assistance, reduce the price of housing by 25% and freeze their increase over 2 years, renewable
